Cuts to Windham Hospital Will Hurt Those Who Need It Most

What would you do if you needed to go to the hospital, but had no way to get there?

Punishing the Sick

More and more people are finding that even though they HAVE health insurance, they cannot afford their medical bills.

Access Health CT Holds Last Meeting Before Open Enrollment

The state's uninsurance rate is down to 3.8 percent heading into the 2016 Open Enrollment period next month, according to a study commissioned by Access Health CT.

How to find (reliable) medical information online

When explaining how to find trustworthy sources among the troves of medical information available online, Wendy Urcioli sometimes advises people to think of the grocery store checkout aisle – the ones with the tabloids and their outlandish headlines.

Key Quote:

“The consolidation and acquisitions and mergers are really driven by wanting to secure the economic sustainability of the hospital. Somewhere in there, though, is lost what is best for the local communities and the local markets.”
