Connecticut Campaign for Consumer Choice

We recently launched the Connecticut Campaign for Consumer Choice -- a coalition of concerned organizations who will educate consumers and families on the importance of a thorough and public review process for the pending mergers of Anthem Inc. with Cigna Corp. and Aetna with Humana Inc.

Health Care Bills that Made the Cut

Now that we're further into the Connecticut legislative session, we know which bills have made it out of Public Health and Insurance and Real Estate Committees and may move to be voted on in the House or Senate. Here is a list of the bills that have been voted out of committee and that we testified on.

The Business Ethic in Health Care

From the Field

Perspectives from those working in the health care field

...there is one change in health care in recent years that concerns me greatly --the increasing business ethic that is taking control of the industry.

Where Do We Go From Here?

Yesterday was the beginning of Step Three--the first release of some of the data collected, featuring a focus on issues connected to the social determinants of health.
